Here we are quickly approaching the Christmas Season and with that comes the Christmas Benevolence Project. Many of you are already aware of how this project affects our community, but for those who are not familiar, here is a brief summary.

Each year letters are sent to local elementary schools, requesting names of families that are in need of a "little extra help" at Christmas. Volunteers then contact the family they are assigned to and set up a time to go shopping with them. This is when the real blessings begin, because we have the opportunity to not only meet "Christmas Wishes" but also have the opportunity to engage with the parents of these children and pray with them and for them all year long.

Please, prayerfully consider volunteering this year. We would love for you to be included and to witness the many blessings that are received.
