Our May 2026 Communique Spotlight features... Beat The Heat!

This coming Summer (2026) will be our fifth community collection for box fans.

With the help of FPC-Athens congregation, folks that that may be without adequate cooling options caused by extreme heat will have some relief and be able to “beat” the heat. In 2025, Terry Mayhall, our Soup Kitchen contact, gladly received the fans and distributed them, one by one.

Our Missions & Community Concerns Committee is now accepting box fan donations in the office.

Fans can be found now at Dollar Stores, Walmart, and most pharmacies like Walgreens and CVS, but they tend to disappear quickly and are often not reordered. The cost per fan is usually around \$20.00.

Last year, **40 fans** were distributed.

Our goal to beat last year’s total is to collect 50 fans.

If you do not want to go it alone, get a friend-group to go in with you on the purchase of one or more fans.

Please deliver all fan donations to the church office by Sunday, May 31st so they can be given before the hottest times arrive and as always, your help is most appreciated.

And oh, by the way, thank you in advance!

Our members are widely known for our generosity and when a “call is issued,” we step up! We really, really do!
